Connecting your device to 2GO Travel's Wi-Fi

1. Select and connect to **2GO Travel's Wi-Fi** SSID Network.

NOTE: The SSID name depends on 2GO's preferences.

2. This will redirect you to **2GO Travel's Wi-Fi** Registration page.

NOTE: Some devices have a default pop-up WebView browser.

For iOS Devices:

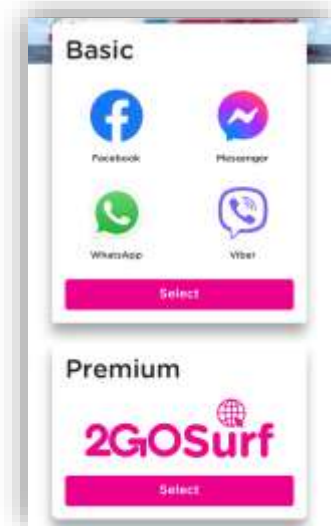

- a. Upon connecting to **2GO Travel's Wi-Fi** SSID, a WebView page will be displayed and redirect you to **2GO Travel's Wi-Fi** Registration page.

Click the **Continue** button to redirect to **2GO Travel's Wi-Fi** Registration page.

3. If in case you are not redirected, open your browser, and type **passcess.com** or **passcess.net** in the URL bar.
 - a. Input the following:
 - Last Name (required field)
 - First name (required field)
 - Mobile Number (required field)
 - Email Address (required field)
 - b. Click the **Register** button to register.

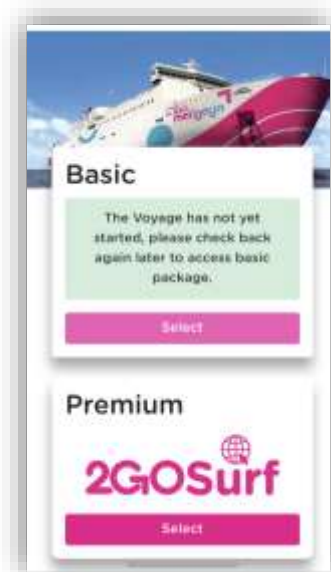

4. Once your account is registered, you will be redirected to the **2GO Travel's Wi-Fi** Landing page. The screen displays the allowed third-party applications that are granted Internet access.
5. Select your access between **Basic Access** or **Premium Access**.

- a. If the Landing page displays the following system message/s:

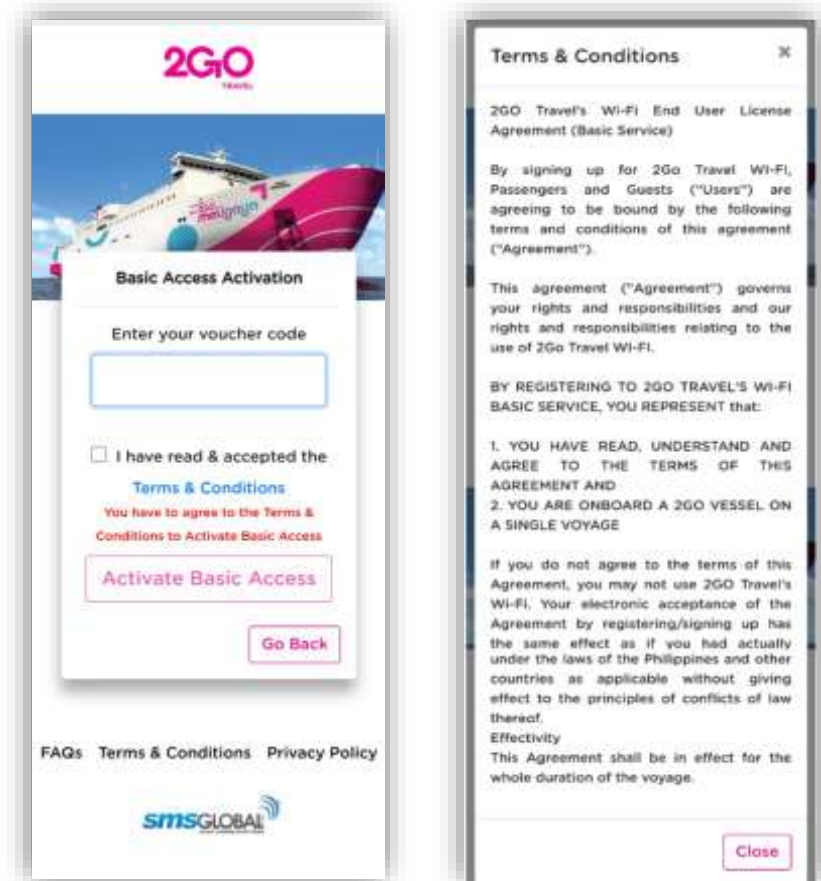

Voyage leg has not yet started, please check back again later to access the Basic package.

This means that the **Basic Access** to PassCess System is not yet open.

Basic Access

1. Click on the **Terms & Conditions** to view and read the detailed Terms & Conditions. Click the **Close** button to return to the Voucher Code activation page.

2. Enter the voucher code and check the **I have read & accepted the Terms & Conditions** box. Then click the **Activate Basic Access** button.

3. Then click the **Activate Basic Access** button.

a. For successful voucher activation, the following screens will appear:

1) Basic Access page

2) Bulletin Board page

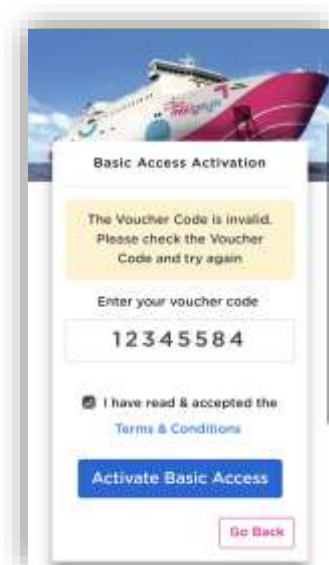

The Bulletin Board page shows both vessel-specific and fleet-wide News & Announcements.

You are now connected to the **2GO Travel's Wi-Fi** and ready to use all the services under the **Basic Access**.

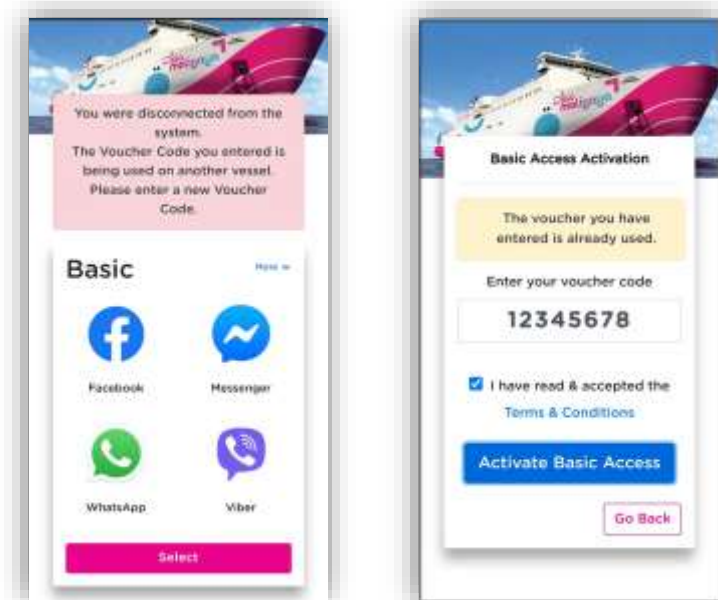

b. Invalid Voucher – the following system message will be displayed if the voucher code entered is invalid and not recognized by the system:

Important Note: The Voucher codes only allow combinations of letters from **A-F** and numbers **0-9**.

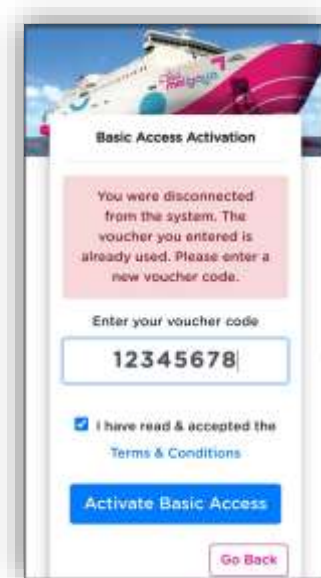

c. Used Voucher

- 1) The following system message will be displayed if the voucher code entered is already used on another vessel.

- 2) The following system message will be displayed if the voucher code entered is already used on the same vessel.

Voyage Leg Ended

The following system message will be displayed when the voyage leg/journey has already ended, thus, access to the system is no longer available.

Premium Access

1. Click the **Select** button for **Premium Access**.

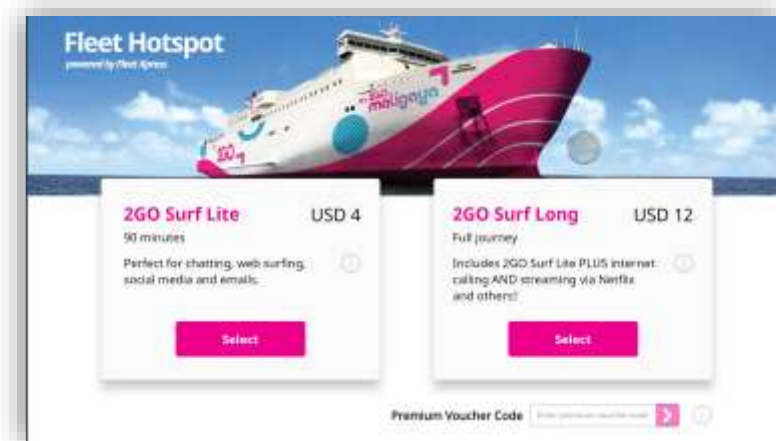

2. The following screen will be displayed:

Click to **Continue to Premium Access**.

3. A new screen will be opened and you will be redirected to the Premium Login page.

- a. If you have a Premium Voucher code, you may enter it on the Premium Voucher Code field box.

Your Premium Voucher Code will be assigned to either the **2GO Surf Lite** or **2GO Surf Long** plans.

The following screen will be displayed:

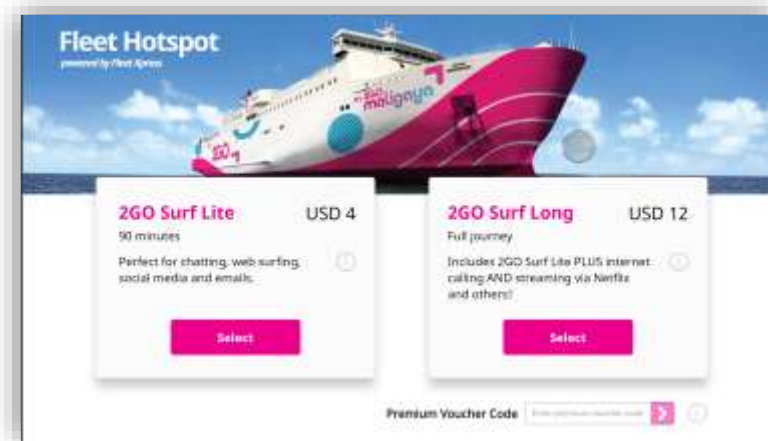

- 1) Input the following:
 - Last Name (required field)
 - First name (required field)
 - Email Address (required field)
- 2) Check the box to accept the Terms and Condition for the Fleet Hotspot service
- 3) Click the **Get connected** button to login to Premium.

4) The following screen will be displayed:

You may now start surfing the net.

b. You may also select from **2GO Surf Lite** or **2GO Surf Long** plans.

Select type of subscription:

- **2GO Surf Lite** is limited to 90 minutes only and suitable for chatting, web surfing, social media and emails.
- **2GO Surf Long** can be used for the whole duration of the journey and it includes **2GO Surf Lite** PLUS internet calling AND streaming via Netflix and others.

4. The following screen will be displayed:

Fleet Hotspot
2Go Surf Lite - 90 minutes

Logging in to Third-Party Chat Applications

When Internet is activated via vouchers, you can now use the allowed third-party chat (instant messaging) applications with **2GO Travel's Wi-Fi** system.

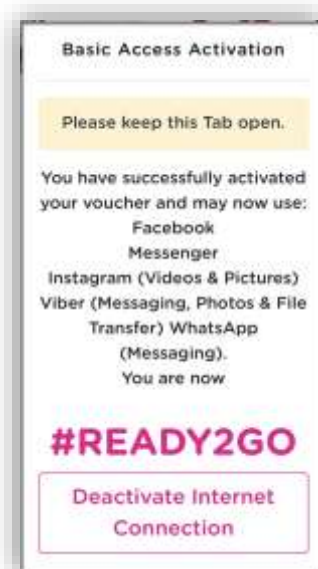

IMPORTANT NOTE: Keep the web browser window with the #READY2GO logo/icon (Terms & Conditions page) open in the background.

Shifting from Basic Access to Premium Access

1. Go to the **Basic Access** Landing page.

Click the **Deactivate Internet Connection** button.

2. You will be redirected again to **2GO Travel's Wi-Fi** Landing page.

Select the **Premium Access** button.

3. You will be redirected to the **Premium Access** page.

Shifting from Premium Access to Basic Access

You need to manually disconnect from the **2GO Travel's Wi-Fi** Internet.

1. Go to Settings > General > Disable Wi-Fi

Slide the button to the left to disable Wi-Fi.

2. Please wait for at least 3 minutes, then enable Wi-Fi connection again.
3. Make sure that you are reconnected to the **2GO Travel's Wi-Fi** SSID.

4. You will be redirected to the **2GO Travel's Wi-Fi** Landing page.
